DIRECTOR'S NOTE

I hope everyone had an awesome summer and is ready for the fall season to begin. Our summer Red White and Blue celebration was amazing. The fireworks and performance by the Heavy Hitters seemed to have everyone ready to celebrate Independence Day. Our KPRD staff is already beginning preparations for next year's event. Our summer concert series which featured a jeep invasion at Davis Park was well attended with over 300 people attending on July 3rd. Our summer camp wallaby program once again was very successful. The Little Theatre on Broad Street performed Steel Magnolias for their summer show. Thank you, Holly Blade, our Theatre Director, for bringing great shows to our community.

I am excited for our second year of offering our special event, "Killingly's Spooktacular Lights and Sights Parade and Block Party. Last year was a great start to a new tradition in Killingly. This year we will be adding more to this event and will be partnering again with the Killingly Business Associations trick or treat on main. I hope to see our streets filled with spectators and children for our second Halloween Light parade down Main Street. There will be something at this event for all ages so bring your best Halloween costume and enjoy a fun night on October 26th. For more info and details please read our brochure and follow those event pages on our facebook.

I would also like to update the community on our projects currently underway in Killingly. We have started the dredging of the pond at Owen Bell and look forward to this being completed along with a redo of the soccer field and paved walking track. Exciting news to report on our Westfield Avenue Project. Construction has begun and we can't wait to see it completed.

Another shout out to all our Staff who have worked very hard to bring successful programming to Killingly and beautiful facilities for all of us to enjoy. We couldn't do this without our team working together! I look forward to seeing everyone this Fall.
