# DIRECTOR'S NOTE

Killingly Parks & Recreation was so lucky to have great weather for our second Halloween Light Parade. With the help of Westfield Church, KBA, and the Killingly Library, we were able to extend our spooktacular event for an entire week filled with cool fall activities like KBA's first ever Ghost Tours of downtown Danielson. Our Spooktacular Lights and Sights event was a huge success and will be back again next year. I am looking forward to our Winter programming. The Youth Hoop program has over 330 participants this year. I would like to thank each volunteer coach within our program. Without your commitment and dedication, the Youth Hoop program would not be possible.

Our theatre program continued its success this fall with performing the show Descendants the musical. The cast of over 60 were great and we now look forward to our winter show, A Seussified Christmas Carol. We don't have many performances left in the Little Theatre on Broad Street so get your tickets for the last few shows ever in the Theatre on Broad Street. Yes, the time has finally arrived. It looks like we will be moving into the Westfield School facility which is anticipated to be sometime this summer. We are excited about our opportunities to expand our department and its programs. As always, a shout out to our Parks staff and the Town Highway Department for the beautiful display of lights at Davis Park! We now have a new Tree of Life in Davis Park.

After the holidays and winter programming, I really look forward to spring. Please look through the brochure for programming and special events coming in 2025.

Wishing everyone a healthy and Happy New Year!

Bucky Lohbusch, Director Killingly Parks & Recreation
