DIRECTOR'S NOTE

We are finally saying goodbye to Winter and all that snow. We have many exciting programs and events to look forward to in 2026. Our hope is that sometime this late spring we will be moving into the Killingly Community Center on Westfield Avenue. We will try to make the transition as smooth as we can for our patrons who participate in our programming.

I am looking forward to our Red White and Blue Celebration and fireworks event on Friday June 26th. As you know, this year marks the country's 250th Anniversary. We will have a few surprises around the park for everyone to enjoy. Once again, a big shout out to our sponsors who have generously donated money to make this event possible again this year. Fireworks and Entertainment are 100% sponsor funded; we could not do it without you. We also have solidified our Free Thursday Night Summer Concert Series at Davis Park. Please check out the list of great bands that will be playing our summer concert series.

While you are at Owen Bell, please look at the additions and improvements the Town has made to the park. We now have dugouts on our softball field, shading will be installed near our splash pad, the baseball field infield has been redone, and we will be making some improvements to the skatepark. Shout out to the KPRD Staff, KPRD Park Staff and the Killingly Public Works for continuing to work hard to make our town special! Please look through the brochure and stay tuned for some great new programming, special events and trips coming in the Spring and Summer.
