DIRECTOR'S NOTE

As we enter the 2025 Spring and Summer season, many changes are taking place. I would first like to wish our current Town Manager, Mary Calorio, good luck in her new position. Our Recreation Department appreciates your many years of support.

We are now in the beginning stages of cleaning out the Killingly Community Center to prepare for our move over to our new home on Westfield Avenue. This project is moving along very well, and we are hoping for an early fall move over. We will try to make the transition as smooth as we can for our patrons who participate in our programming. We would like to welcome the Learning in Retirement program, who will be transitioning over from QVCC to their new home here at the Killingly Community Center. This program will offer their senior classes in our Auditorium on Mondays and Fridays. We hope this program's success will follow us over to Westfield Avenue.

I look forward to our Red, White and Blue Celebration and Fireworks event on Friday June 27th. A tremendous Thank You to our sponsors who have generously donated money to make this event happen every year. Fireworks and Entertainment are 100% sponsor funded; we could not do it without you. We also have solidified our Free Thursday Night Summer Concert Series at Davis Park. Please check out the list of great bands that will be playing this summer and a big thank you to J&S Sound.

There are some really great things happening again this year in Killingly! Shout out to the KPRD Staff, KPRD Park Staff and the Killingly Public Works for continuing to work hard to make our town special! Please look through the brochure and stay tuned for some great new programming, special events and trips coming in the fall and winter. Our staff is always working hard to provide some exciting programming.
