# DIRECTOR'S NOTE

Even though the Fall season was filled with wet weather, Killingly Parks & Recreation was able to produce very successful programming including our first Halloween Light Parade. Our Spooktacular Lights and Sights event was a huge success and will be back again next year. Now we are moving forward into our Winter programming. Our Youth hoop program has over 300 participants this year and is off to a great start. Thank you to our volunteer coaches, without them this great program would not be possible. Our department welcomes our newest staff member Tommy Derosier who will be our new Recreation Supervisor. Tommy will take over handling the youth hoop and Camp Wallaby programs and comes to us with great new ideas which will only expand our program lineup for the future. Our theatre program is continuing to grow with a great lineup of shows for the winter, spring, and summer. In addition, I hope everyone enjoyed the beautiful lights at Davis Park! Many thanks to our Parks crew for their work and time decorating Davis Park for the holiday season. Also, with the assistance of the Town Highway department, Owen Bell Park has a brand-new set of swings being installed. Thanks to everyone involved with the installation.

After the holidays and winter programming I really look forward to spring. Please look through the brochure and stay tuned for some new programming and special events coming in 2024.

Wishing everyone a healthy and Happy New Year!

Bucky Lohbusch, Director Killingly Parks & Recreation
