DIRECTOR'S NOTE

In our 3rd year, The Killingly Spooktacular week turned into almost a full month of events. I want to thank everyone who made this month long of different events happen. Our Spooktacular lights and sights parade had the most entries since it started. This means we are growing in popularity. It was so humbling to see so many families enjoying Trick or Treat on Main Street and the block party and parade. Big thanks to this year's Grand Marshal, Director of Tourism for Connecticut Rachel Lenda. What an incredible float to lead an awesome parade. We are now looking forward to our Winter and Spring programs. Youth Hoop Basketball has over 350 participants, which is incredible. Thank you to all the volunteer coaches and staff who make this program happen.

Our Theatre program has had an excellent season. Rudolph the Red Nosed Reindeer came to the little theatre for our holiday show and was a tremendous success. Let's give a huge thanks to our parks and highway crews for bringing Davis Park to life this Holiday season. I always look forward to seeing the park lighted and decorated.

Westfield Avenue is in its final phase of construction, and it looks like we will be moving over in 2026. I look forward to seeing everyone in our new space. We hope to be able to expand senior programming, youth, and adult programming once we arrive. Check out all we have to offer this winter and spring. Before we know it, the sun will shine, and it will be warm again. Wishing everyone a healthy and Happy New Year!

WE ARE MOVING

The Town of Killingly Parks and Recreation is excited to announce we will start the process of relocating our offices and recreation / community center operations to 79 Westfield Ave beginning Late Winter 2026. The move represents an important step forward in our ability to serve the community, with some improved space for recreational programs and events. During this transition, we appreciate your patience and understanding as we settle into the new location. As we navigate the move and ongoing construction phases for our theatre program and other rooms within Westfield, please be aware that some programs, events and services may experience temporary adjustments or changes to schedules and locations. We will make every effort to communicate updates promptly to minimize disruptions. KPRD Staff look forward to welcoming residents and guest to our new location and continuing to provide engaging recreational opportunities and community experiences for all. For updates, please visit the Town of Killingly Website or follow us on our Facebook Page. Thank you for your continued support and understanding as we make this exciting transition together!
